

PROVISIONAL (12 JULY 2019)

FREE STUDENT REGISTRATION

48TH UNDERWATER MINING CONFERENCE

*Sustainable Development of Seabed Mineral Resources: Environment,
Regulations and Technology*

September 22-27, 2019

JW Marriott Dadonghai Bay, Sanya City, Hainan China

The Institute of Deep-sea Science and Engineering (IDSSE), host of this year's Underwater Mining Conference, is offering free registrations to 20 students. This generous offer is intended to encourage young talent into this emerging underwater mining industry.

To apply for this UMC 2019 free conference registration, please email your CV (curriculum vitae) to Xiao Jianyu xiaojy@idsse.ac.cn of IDSSE.

The CV should include the following:

- Personal Information: Name, Gender, Date of Birth, Nationality, Phone, Email
- Educational Background: Degrees obtained (include university/institute, major, and year). If in a Post-Doctoral program, list University/Institute and current research field.
- Studies Related to Underwater Mining
- Projects/Papers Participated in Related to Underwater Mining
- Awards/Prizes
- Perspectives Regarding Underwater Mining and/or Related Technologies

If you have already submitted an abstract or have registered as a Student to UMC2019, please include the title of the abstract in your CV and send it as an attachment.
