### About IMMS

The International Marine Minerals Society advances understanding and progress of marine minerals exploration worldwide. IMMS encourages the prudent development of marine mineral resources, including concern for the environment and boosts research in all aspects of marine minerals development. IMMS is the organizer of the Underwater Mining Conference.

For inquiries please contact **Laura Azevedo**  
UMC Conference Manager

### About UMC 2020

The 49th Underwater Mining Conference will be hosted by USF College of Marine Science and will be held at the Vinoy Renaissance Resort and Golf Club in beautiful St. Petersburg, FL, USA. UMC offers five days of timely, exciting and diverse information on underwater mineral exploration, environmental research, government policy and mining. The conference brings together leaders in government, academia and industry from over 25 countries to exchange information about underwater mining. The UMC 2020 focus is:

**Marine Minerals: Solutions for a  
Clean Energy Future**

**International Marine Minerals Society**

USF College of Marine Science
